4. EBBA

We pity the woman at Sushi Roku, out with her husband for their very first romantic dinner after having a baby. We restrained ourselves as long as we possibly could before we finally had to ask what scent she was wearing. That's when she told us about Ebba. We left our first visit to this adorable boutique on Melrose with four phenomenal scents. Our favorite, Miss Marisa, is a luscious blend of cassis, water lily and Moroccan mint. Since its launch in 2002, Miss Marisa has developed a cult following that's led to the creation of spin-offs such as Miss Marisa Nuit and its latest incarnation, Miss Marisa Tropical. In a word: heaven. Ebba Miss Marisa scent, 0.5 oz., \$58, Ebba Boutique, 8164 Melrose Avenue, 323-651-5337, ebbalosangeles.com
